

Barricks

MANUFACTURING COMPANY

Providing USA Quality Made Tables Since 1953

Viking

Product Details

Heavy duty versatile table describes Barricks' fully assembled, folding Viking utility table. The Viking tabletop is 1 1/8" particleboard core with high pressure laminate (HPL) top surface and moisture resistant bottom surface with a protective T-mold edge or upgraded 3mm edge. The top is supported with a strong, rigid 2 1/4" 18 gauge roll formed edge steel apron. For tables over 72", a 5" wide "V" channel 20 gauge steel stretcher bar is secured to the underside of top for additional strength and rigidity. The Viking table legs are 1 1/4" sq 18 gauge steel welded to bar and 1 1/4" 18 gauge steel cross bar connecting to adjacent leg reinforcing leg stability. Each leg has compression lock, connecting cross bracing and locking bar. Positioning of leg accommodates end seating. Adjustable levelers ensure proper positioning and alignment on uneven floors. Barricks stocks 30 HPL options to create your customized design.

Sizes Available

18x60	20x40	24x48	30x60	
18x72	20x48	24x60	30x72	36x72
18x96		24x72	30x96	36x96
